That the said City Council does hereby find, declare and determine that each and all of the facts recited in the preamble to this ordinance and in the preamble to Resolution No. 4728 therein quoted, are true and that protest is not made and has not been made by the owners of one-half of the value of the said Fourth Century Territory, proposed to be annexed to said City of Inglewood, as shown by the last equalized assessment roll.

SECTION 2. That the City Council of the City of Inglewood, California, the Legislative Body of said City, does hereby approve the annexation to the City of Inglewood, California, of all of that territory hereinabove referred to (and which is also designated) as Fourth Century Territory, included within the following described exterior boundary line:

SECTION 4. That this ordinance is designated to be necessary as an emergency measure for preserving the peace, health and safety of the City of Inglewood and the public thereof and the same shall therefore, take effect and be in full force and virtue immediately upon its adoption as provided in the Freeholder's Charter of said City. The facts constituting its urgency are that: Immediately upon the completion of annexation proceedings the City will be required to extend various municipal services, including Police and Fire Service, to the annexed area and that unless said annexation proceedings are completed prior to February 1, 1962, revenues from property taxes in said territory will not be available to provide

necessary public services until November of 1963, to the serious detriment of all municipal services within the City.

SECTION 5. If any section, subsection, sentence, clause, phrase, or portion of this ordinance, is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this ordinance. The Council of this City hereby declares that it would have adopted this ordinance and each section, subsection, sentence, clause, phrase, or portion thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases or portions be declared invalid or unconstitutional.

SECTION 6. That the City Clerk shall certify to the passage and adoption of this ordinance and to its approval by the City Council and cause the same to be published once in the Inglewood Daily News, a newspaper of general circulation, printed, published and circulated in said City of Inglewood. Said City Clerk shall also, immediately upon the taking effect of this ordinance, make under the seal of said City and transmit to the Secretary of State of the State of California a certified copy of this ordinance, giving the date of its passage and adoption. Said City Clerk shall also execute and file in the office of the Recorder of the County of Los Angeles, California, in which County said City of Inglewood is located, an Affidavit stating that all requirements of the laws pertaining to the proceedings for the annexation of said "Fourth Century Territory" have been complied with, which said Affidavit shall be accompanied by a certified copy of the boundary description as set forth in such proceedings, and also by a map delineating such boundary, all as contemplated in the laws of the State of California relating to the completion of proceedings for the annexation of territory to cities. Said City Clerk shall also, and she is hereby instructed to prepare, execute and file with the State Board of Equalization of the State of California, and other officers, boards and agencies, such further or additional statements, documents, maps, plats, descriptions and data as may be required in connection with the said annexation of said "Fourth Century Territory" to said City under the laws of said State of California.

Proposed "Fourth Century Territory"
Annexation to the City of Inglewood

At the meeting held on November 29, 1961, the County Boundary Commission reviewed the boundary description and map submitted by Mark C. Allen, Jr., your City Attorney, with his letter dated November 15, 1961, of the proposed "Fourth Century Territory" annexation to the City of Inglewood.

The boundaries as submitted do not create corridors of unincorporated territory and conform with record lines and lines of ownership; however, the proposed annexation consists of a portion of an existing island of unincorporated territory.

The boundaries of this proposed annexation are identical with the boundaries of proposed "Fourth Century Territory" annexation to the City of Inglewood as approved by the Commission on June 28, 1961.

The County Boundary Commission approved the boundaries as submitted as to definiteness and certainty in accordance with the provisions of Section 35002 of the Government Code. A copy of the approved legal description and a list of special districts involved are enclosed for your use.

Very truly yours,

Gordon T. Nesvig
